

How successful has the Innovation Union been in encouraging and supporting research and innovation in Europe?

I3U – Investigating the Impact of the Innovation Union Final Conference

To strengthen Europe's innovation potential, the Innovation Union has set out 13 general objectives and 34 policy commitments.

I3U has evaluated the achievements of each individual commitment, looking at how they affect the innovation system as a whole and analyzing the chain of effects on European competitiveness, growth and employment

25 September 2018
Auditorium Nowotny
COV2
Place Rogier 16
Brussels, Belgium
